## **Sex Offender Policy**

In accordance with Section 692A.113 of the Code of Iowa, the Logan Public Library Board prohibits the presence of sex offenders convicted of sex offenses against minors upon or within 300 feet of library property.

The Library Director may not give permission for registered sex offenders convicted of sex offenses against minors to be in the library. This decision cannot be appealed to the Library Board.

Registered sex offenders convicted of sex offenses against minors may be eligible for some library services depending on their residence address. They may register for a library card account via phone or designee and make arrangements for a person of their choosing to select, check out, and return materials under their library card account. The library card account holder, not the designee, is responsible for all activity on their account and any fines that may occur.

The issuance of a library card at any time is NOT permission from the Logan Public Library for that offender to be present on library property.

Violations of this policy will be immediately reported to law enforcement, and violators will lose all library privileges. Violators will be subject to prosecution for violation of the Iowa Code.
